

Matter of Julian,
Del. Supr., No. 98, 1974 (6/12/74)

Disciplinary Rules: DR 9-102

Nature of Case:

The Respondent entered pleas of guilty to two criminal charges in the Superior Court for violations of 11 Del.C. Section 841 (felony theft), such charges arising out of transactions in which the Respondent converted client funds totaling approximately \$69,000 to his own use. The Respondent was sentenced to three years in prison and tendered his resignation as a member of the Delaware Bar. The Censor Committee's report was filed with the Supreme Court on April 25, 1974, recommending disciplinary action. The Respondent filed no objections to the report.

Action Taken By The Court:

The Supreme Court issued a rule to show cause to the Respondent, directing that he show cause why he should not be subjected to discipline, but the Respondent made no response to the directive. The Court confirmed the Censor Committee's report, and entered an order of disbarment.
